General Notes

The above listing of Grand Army of the Republic Posts covers the period from 1879 to the time the Department of Michigan was disbanded in 1948. There was, however, an earlier period of G.A.R. activity in the State. It is unfortunate that few records from this period have survived and those that have are scattered and fragmented. It appears that no individual Post records have survived which would provide membership rosters and related information.

Presented here will be information from several sources which, when taken together, provide a partial picture of this period and the activity that took place then and the key players involved. The information from the various sources has been arranged in chronological order, as nearly as possible.

We have Robert Beath's *History of the Grand Army of the Republic* (1888). Brother Roger Heiple, noted authority on the G.A.R. and collector of G.A.R. documents and memorabilia for over 40 years, contributed an article titled "The History of the Department of Michigan, Grand Army of the Republic", published in the October 2000 issue of *Michigan's Messenger*, The Newsletter of the Department of Michigan – SUVCW.

Also cited will be material from a book edited and compiled by Comrade I. M. Cravath titled, *Manual of the Grand Army of the Republic Containing Its Principles And Objects Together With Memorial Day in the Department of Michigan, May 1869* (Published in Lansing, Michigan, 1869). We will also use *Series 1879 – General Orders – No. 1*, issued from Headquarters Department of Michigan, G.A.R., Quincy, Mich., July 25, 1879 by Command of C. V. R. Pond, Department Commander.

The accounts of whom did what becomes a little "fuzzy" right at the outset.

Beath, in his section on the Department of Michigan (page 531) tells us, "Brevet Brigadier-General William Humphrey, Colonel 2d Michigan Volunteer Infantry, was appointed Provisional Commander, Department of Michigan, October 1, 1867.

Brother Heiple opens his article by stating, "The first link of the Grand Army of the Republic to Michigan took place in Pittsburgh, September 25th, 1866, at the Soldiers and Sailors Republican Convention. It was here that Gen. Russell A. Alger was mustered into the Grand Army and asked to become the contact person for the Department of Michigan."

Beath's account of this Convention (page 27) includes the following, "The Department of Indiana was the only department represented distinctly as such in the Pittsburgh Convention, ...". He goes on to state, "Major O. M. Wilson, Assistant Adjutant General of the Department of Indiana, was exceedingly active during this convention in interviewing leading representatives relative to the Grand Army of the Republic, urging the organization of Posts, and for this purpose he "obligated" quite a number from the East, instructed them in the "work", and gave them copies of the rules and the ritual."

The action of this convention resulted in the formation of a committee for the purpose of consolidating all veteran societies " in sympathy with the principles of the Union Republican Party".

"General Henry A. Barnum, New York, was appointed president of the executive committee to act with the following representatives of the Societies named; Grand Army of the Republic, General T. S. Allen, Wisconsin; ... Michigan Boys in Blue, General R. A. Alger; ..."

It is entirely possible that Alger was "obligated" at Pittsburgh, but he left that convention as the Michigan representative of the Boys in Blue.

Brother Heiple tells us, "During 1867, on the front pages of the Official Nation [sic] Organ of the Grand Army, **The Great Republic**, Russell A. Alger was printed as the contact for soldiers in Michigan. He was listed as: Michigan – *R. A. Alger, Boys in Blue*". It would appear that he was still the leader of this group in Michigan as noted at the conclusion of the Pittsburgh Convention.

Documents in the Heiple collection, as noted in his article, relate to "... a convention of the Michigan Soldiers and Sailors Union in May, 1867. The Union saw the advantages of joining the Grand Army and moved to bond the two organizations in Michigan. Provisional officers were elected: Gen. R. A. Alger, of Detroit, Commander; Col. William A. Phelps, of Detroit, Adjutant General; G. A. Flanders, of Saginaw, Assistant Adjutant General; Col. S. P. Brookway, of Albion, Quartermaster General; and Chaplain George Taylor, Grand Chaplain."

The *Proceedings of the Grand Army of the Republic, at the Grand Encampment of Michigan,* dated May 6, 1868 (Heiple collection) contains a letter written by William Phelps to General Alger, and quoted In Brother Heiple's article as follows;

Sir: In obedience to orders issued by you as Grand Commandant of this department, of the 19th day of September last [1867], I repaired to Indianapolis, Ind., for the purpose of being mustered into and procuring the work for establishing this Department and forming Posts of the Grand Army of the Republic in this state. On the 20th day of September, through the courtesy of General Kimball, and Major Wilson and others, I was mustered into the Army, and procured the necessary Rituals, Rules, and Regulations, and the unwritten work of the Order, also the necessary blanks and forms for our work, and the authority to proceed with this organization of this Department."

The second National Encampment of the G.A.R. was held January 15, 1868, at Philadelphia and Michigan was represented by W.I. Handy and William Phelps. Phelps was appointed to the Council of Administration

Lets recap where things stand at this point. In May of 1867, Russell Alger is elected, at a meeting of the Soldiers and Sailors Union, as Provisional Commander of the G.A.R. in Michigan. He sends William Phelps, in September of 1867 to the Department of Indiana to gain authorization, forms and the necessary information to facilitate the organization of Posts and a Department of the G.A.R.

In the meantime, the National Organization, according to Beath, appoints William Humphrey as Provisional Commander to organize the Department of Michigan on October 1, 1867. He and Comrade J. H. Fee represented the Department at the Cincinnati Encampment in 1869.

It would appear that the National Organization was not aware of the efforts of the Michigan Soldiers and Sailors Union to organize a G.AR. Department through the auspices of the Department of Indiana. It would also seem that the Indiana and Michigan folks were unaware of the efforts from National to get something going through General Humphrey.

In any event, although we have no records or other information to tell us how things were worked out between these two efforts, the significant thing is that there was a Department Encampment in May of 1868. General Russell Alger was elected as the first Department Commander, and was followed in that office by William A.Throop in 1869. William Humphrey was elected as Commander in 1870. Beath presents a roster of Officers for 1871 which shows that Humprey was elected Commander for that year as well.

Beath indicates; "In 1871 the Adjutant General reported that the Department of Michigan was in excellent condition, all reports and dues having been promptly made." (page 531). Following the list of officers, Beath notes (page 531), ""No returns were made to National Headquarters in 1872, and later the Department was reported disorganized, and was dropped from the rolls of Departments."

The **Proceedings of the Grand Army of the Republic, at the Grand Encampment of Michigan,** of May 6, 1868 contains a list of Posts formed during the previous year, in numerical sequence. Comrade Cravath's **Manual** of 1869 also contained a list of Posts in operation that year along with the roster of officers for each Post. Those lists were;

Note is made that - "Posts were established at Dundee, May 5, 1868; and Hastings, May 7, 1868, but Post numbers were not

associated with these Posts in the 1868 report. A Post had also been formed in Battle Creek, chartered and reporting to the Department of Illinois."

It is interesting to observe, through a comparison of the two lists, that during the year between them that 15 Posts had been added to bring the numerical sequence to a total of 49. However, due to the loss of Posts and perhaps some "renumbering" there appear to be significant gaps and shifts in the location of numbers. There are no records to account for these differences.

Returning to Beath, he tells us (pages 531-532), "In 1875 a Post was organized at Coldwater, (Van Pelt Post 1) and on November 19 of that year Captain D. B. Purinton was appointed Provisional Commander." "C. A. (O.) Loomis Post No. 2 was organized at Quincey [sic], January 22, 1876, and in February Comrade B. F. Clark, of that Post, was appointed Senior Vice-Department Commander." (Bracketed items added)

Beath goes on to tell us – " But little could be done at this time in organizing Posts in Michigan. In April 1878, Major C. V. R. Pond succeeded Captain Purinton as Provisional Commander. He established Headquarters at Quincey [sic] ... By persistent work on the part of Comrade Pond a sufficient number of Posts were chartered to form the permanent Department at Grand Rapids, January 22, 1879."

In an early report, (Heiple collection) Pond reported as follows;

" The Van Pelt Post No.1, Coldwater, claim 50 members, hold no meeting; C. O. Loomis Post No. 2, Quincy, 26 members, meets regularly; Clark Post No. 3, Union City, Dead; Maj. N. H. Ferry Post No. 4, Montague, About 50 members, actively at work: Parker Post No. 5, Petersburg, claims 5 members with no meetings."

Based upon information in Series 1879 – General Orders – No.1, Headquarters Department of Michigan, G.A.R, Quincy, Mich., July 25th 1879, there must have been a Post 6 and a Post 7 formed prior to the Department Encampment, January 22, 1879. In reporting actions taken at the Encampment the following are noted; in item II, " Frank Fornecrook, Post No. 7, was granted permission to change its name."

Finding Aid Number 15 which covers the collection of the Michigan Department Headquarters of the Grand Army of the Republic, housed at the Archives of Michigan in Lansing, indicates that the Forncrook Post was located at Reading, and was renamed Phil Sheridan.

General Order No. 1 states in item VI. - "The following Posts will be known by the names and numbers hereby given:

Van Pelt Post, No. 1; Coldwater C. O. Loomis Post, No. 2; Quincy Maj. N. H. Ferry Post, No. 3; Montague Phil. Sheridan Post, No. 4; Reading Custer Post, No 5; Grand Rapids"

It would appear that, based upon the two reports noted above that the Clark Post No. 3, of Union City, and the Parker Post No. 5, of Petersburg, were dropped in this renumbering process. Thus, the Ferry Post originally No. 4, moved up to No. 3; The Forncroock Post originally No. 7, had its name changed and moved to No. 4. Although the Forncrook Post 7 was formed June 12, 1878 and the Custer Post on September 27, 1878, the records at the Archives show that the Custer Post was mustered as Post 6. When the Posts were renumbered, according to seniority, at the January 1879 Encampment, this was corrected, and Custer Post was designated as Post 5. Their initial Quarterly Report, for Sept 30, 1878, was filed as Post 6, after that as Post 5.

Through this process, the base of the numbering system used for the Department of Michigan until its demise in 1948 was established.

Listing Notes

a. = Post 1 - Van Pelt Coldwater. This Post operated at the time that the Michigan Department was in the process of being reorganized by C.V.R. Pond in 1878. The Post was disbanded in 1879, the year that the Department was reinstated, and no records appear to have survived.

b. = Post 4 - Organized June 12,1878 as the Frank Forncrock Post 7 at Reading, Hillsdale Co., MI. The Post was probably named after Frank B. Forncrook. He "Enlisted in company E, Fourth Infantry, June 20, 1861, at Adrian, for 3 years, age 28. Mustered June 20, 1861. Killed in action at Malvern Hill, Va., July 1, 1862." The "Brown Books" Vol. 4, page 43. It was reorganized as Phil Sheridan Post 4 on April 12, 1883. Disbanded June 22, 1925. Use of the Phil Sheridan Post 4 identification on Quarterly Reports start with the March 31, 1879 report - same men, same location, same meeting place. All materials are filed under Post 4. The Post 7 Charter is in the file. Letter dated 12/4/96 to C.V.R.Pond, A.A.G indicates, among other things, that no other Charter, except the one noted above, was ever issued.

c. = Post 28 - Three Posts used this number. They were French Post 28, Big Rapids, 1881 - 1894. Carver Post 28, Hemlock City, 1894 -1916. Huron County Post 28, Bad Axe, 1919 -1933. There appear to be no surviving records from the French or Carver Posts.

d. = Posts 315 - *Minor Pratt*, 335 - *Lumbard*, 338 - *Bowen*, 340 - *Ironton*, 344 - *Thomas Oldfield*, 345 – *Maj M.J. Dickinson*, and 354 – *Stark*. There are no records in the Michigan GAR Department files for these Posts.

e. = Post 35 - Zach Chandler. Although named after Zachery Chandler, the Post used Zach exclusively in all reports and records on file.

f. = Post 63 - G. K. Warren is correct. It appears as though "Alger" was penciled into the "to be known as" space on the Charter Application 4/8/1882.

g. = Post 65 - W. J. May is the name used by the Post on all records.

h. = Post 66 - This number was first used by A. J. Campbell Post, Harrisville, Alcona County, organized June 22, 1882. Disbanded 1883. The Charter Application for this Post and the first slate of officers are the only records on file.

i. = Post 66 - Report of Muster is for Begole Post 66 at East Jordan, work detailed by special order No. 84, dated Nov. 26, 1883. Charter issued Dec. 4, 1883 for Post 66 does not have a name filled in. Typed names of Charter members are glued over badly faded handwritten names. Their first Quarterly Report dated 12/31/1883 lists the Post name as Stevens.

j. = Post 77 - Chartered as J. J. Bowley Post 77, Sept 26,1882. The name was changed to Gen. Lander on Quarterly Report dated March 31, 1890.

k. = Post 82 - The name on the Charter is Col. Harrison C. Jefferds. Post letterhead from 1915 indicates Jeffords. Department letters in 1882 show Jefferds as do most of the Quarterly Report forms. I. = Post 90 - J. N. Penoyer is used on letterhead and other records. Charter Application merely notes Penoyer.

m. = Post 93 - Use here varied from Fredrick on initial Quarterly Reports to F. or Fred or just Turrell.

n. = Post 122 - Charter Application requests McPherson for name. Filing note on back of form indicates Edward S. Cox. Early Quarterly Reports indicate Edward S. Cox but change on 12/31/1884 Report to E. F. Cox. Variations include Ed. F. Cox and Edward F. Cox - The "Brown Books" indicate Edward F. Cox of Assyria enlisted in Co. A, First Sharpshooters 12/15/1862 - Killed in action before Petersburg, Va., June 17, 1864. The Post was probably named in his honor.

o. = Post 126 - Organized as Dan S. Root Post 126 in Belding, Ionia County - April 14, 1883. The "Brown Books" show Daniel S. Root enlisted Co K, 3rd Inf. as Sgt 5/13/1861. Transfer as Capt. to Co. ww = Posts 3, 5, 8 - No records have survived for Post 3 – Clark; Post 5 – Parker; Post 8 – General McPherson of Alleyton (Fire wiped out the town in 1882 [located across White River from White Cloud]). The information on the destruction of the town is found also in <u>Michigan Place Names</u>, by Walter Romig (1973).

xx = Post 9 – Post was Chartered as Nathaniel Lyon Post 9 – Sept. 8, 1879. Name change shows up on the Report of 3/31/1882 as J. A. Dix. This was probably as a result of a reorganization letter from Post Commander W. C. Simmons, dated Oct. 17, 1881. He indicates a desire to disband the Post and Transfer with a few others to Post 7 in Muskegon.

yy = Post 38 – Letter report dated Dec. 19, 1881 indicates: "Having been detailed by Special Order No. 19 to go to East Saginaw, Mich. To Muster Post No. 38 to be known as General Gordon Granger on the fourteenth day of Dec. I submit the following report." – Signed by Arthur Holt. Granger name used on all reports until 6/30/1899 – after that, Saginaw name is used.

zz = Post 55 – This number was used for three different Posts.

ccc = Post 81 – H. S. Burnett of Clare. No records of the Post have been found. It is possible, because of the time that this Post operated that it could have preceded the formation of the W. S. Hancock Post 339 in Clare (1886 –1908).

ddd = Post 107 - The Muster Report letter, dated March 17, 1883 indicates that this group was to be known as Star Post 107. Initial Report for 3/31/1883 shows name as John D. Skinner, Jr. Name changed to Tim Lewis on 3/31/1886 Report

A blank piece of paper is pasted over the names of the last four members listed on the Charter. The first two Quarterly Reports, for 6/30/85 and 9/30/85 give name as Burton Brothers. The Report of 12/31/85 shows name as Milton Williams.

mmm = Post 354 – Three Posts were assigned this number;

A = Stark Post 354, in Stark, Wayne County, from Jeff Henningfield, source unknown. *Michigan Place Names* has the following information: "Storekeeper John A. McLaughlin became the first postmaster of Livonia Station, a depot on the Pere Marquette Railroad in Livonia Township on Nov. 17, 1877; for local landowner L. B. Stark, the office was renamed Stark on Nov. 13, 1879, and operated until July 31, 1909." It is possible that a Post operated in this community prior to the formation of Reno Post 354 in 1886, although no records have been found for a Stark Post.

B = Reno Post 354, Calumet, Houghton County, organized May 14, 1886 – disbanded March 22, 1890. Charter Application and Muster Report indicate the name Burnside. Charter, in file, is issued to Reno Post.

Name spelled Covel on Charter Application, but also as Coville on some reports. Consistent use of Covell later. Probably named after James F. Covel, of Palo, Co. I, 1st U. S. sss = Post 429 – Mustered at Ironwood as Pleasanton Post 429. (Curtis Buck was the Mustering Officer and was Judge of Probate for Gogebic County.) Curtis Buck was the only Commander during the life of the Post (1896-1918), but the Post was not named for him.

ttt = Post 431 – Charter Application requests the name Wayne. Mustered as Wayne Post 431 at Wayne, Wayne County on July 31, 1896 – disbanded 6/5/1906. Charter, in file, is issued to Wayne Post 431. Name changed to Alexander L. Patrick on 6/30/1900 Report.

uuu = Post 437 – Mustered as William Sherman Post 437 at New Troy, Berrien County. Charter in file. First Report, 12/31/1897 is as William Sherman. Report of 6/30/98 shows name change to Frank A. Daniels.

(It would seem that some of the name changes took place because of the G.A.R. rule that a Post could not be named for a person still living. In many instances the original name was someone who lived in the area, and he was replaced by someone from the same area who died during or shortly after the war.)
